About Cailler

Founded in 1819, Cailler is Switzerland's oldest existing chocolate brand. Our chocolates are crafted in Broc, in the heart of the Gruyère region, with the utmost respect for traditional chocolate making. All our products are Rainforest Alliance certified, ensuring our cocoa comes from farms that meet strict environmental and social sustainability standards. Fresh milk for Cailler milk chocolate is sourced from around 40 local IP-SUISSE farms near our factory.
